BALL'S MIDAMERICA STOCK FOR SALE

By The Associated Press

CLEVELAND, March 31—Financial circles speculated today on published reports that George A. Ball, wealthy Muncie, Ind., manufacturer, is looking for a buyer of his controlling stock in Mid-America Corp. top holding company of the late Van Sweringen brothers' $3,000,000,000 rail and allied empire.

George A. Tomlinson, Cleveland shipping magnate, who with Ball bought the key securities late in 1936 for a little more than $8,000,000 at an auction conducted by J. P. Morgan & Co., said he was not aware Ball was seeking a purchaser.

The New York American said Ball preferred his holdings be in blocks of shares of individual roads rather than in one unified unit.

In Ohio History

(From the J H Galbraith collection of Ohio histories written for The Associated Press)

BELATED RECOGNITION

Although many revolutionary soldiers came out to make their homes in Ohio in the first decades of the new state little deference was shown them in the way of political preferment Only one Revolutionary soldier ever served the executive chair Othniel Looker did it by advancement from the position of speaker of the senate

In only one instance did the state do anything for the Revolutionary soldiers and that was in 1817 more than half a century after the Revolutionary had faded into history when it passed an act which exempted the property of the remaining old soldiers to the amount of $500

Your Health

BY DR. R. S. COPELAND

Cancer of Stomach.

Of all the forms that dread disease can take, cancer of the stomach is the slowest to be recognized. The victim has a dozen explanations for his symptoms. On this account the true nature of the trouble is often overlooked. If every one were familiar with the signs of this disease, early recognition would be the rule.

In all forms of cancer early attention is of vital importance. Contrary to a common belief, many cases of cancer are curable. But cure is possible only if it is recognized and attended to in its early stages.

Many a person suffers from indigestion, heartburn, pain in the abdomen and disturbances of elimination. The symptoms come and go and the sufferer is likely to regard his ailment as a trivial and passing upset.

As a matter of fact the symptoms may indicate a change in the cells making up the walls of the stomach. They may be the danger signal, pointing to cancer of that organ.

Public Ignorance

I wonder if you agree with me that the general public does not possess enough accurate knowledge of the human body. Because of their ignorance, many persons avoid seeking medical advice about vital health problems. This attitude is difficult to understand because almost everybody has great respect and admiration for the family doctor, and confidence in his skill.

There are those who do not wish to bother the doctor and, on this account, neglect to see him. Then there are others who avoid consulting with the doctor out of pure fear. They are afraid of being told they have tuberculosis, cancer or some other affliction generally regarded as incurable. Let me impress upon you that the latter is the wrong attitude to assume, because, in most instances, no matter what the trouble is, cure is possible.

If you suffer from biliousness, indigestion, constipation, heartburn or other digestive disturbance, let your doctor determine whether the symptoms are harmless or whether they require serious attention. Let me also warn you against depending too much on home remedies or patent medicines. Too often some well-meaning friend will give advice. Unfortunately, he is probably unqualified to determine the importance of such ailments. Merely because he had a similar complaint does not mean that you have the same disorder and will have the same relief from his medicine.

LARUE CHURCHES HOLD EASTER RITES

Songs, Cantatas and Baptisms Feature Services.

Special to The Star

LARUE, March 31—Easter services were observed in all the churches here Sunday, starting with a sunrise service at the M. E. church at 6:30 with a praise service and program under the supervision of the Queen Esther circle. At 10:30 Rev. G. W. Herd, pastor, gave the Easter message and baptized a large class of children and received a number into the church.

At the evening service an Easter cantata under the direction of Kenneth Holland was given. Solo parts were taken by Miss Delon Morral of Morral, Miss Lucile Gibson of Marion and Ivan Cooper of Columbus.

Services were observed at the Presbyterian church with a special program for Sunday school and a sermon at 10:30 preached by De Ver Walker of Marion who is a student at Center college at Danville, Ky., and a former resident of LaRue.

The Baptist church had a program of recitations and songs at the close of Sunday school followed by a sermon by the pastor, Rev. Basil Williams of Marion.

Special Easter services were observed at St. Joseph's Catholic church Sunday with Rev. Father Henry Weyerhaus giving the Easter sermon.

PERSONAL PROPERTY TAX TIME UP TODAY

Personal property tax collections closed today in the office of County Auditor Harry V. Mounts with a steady stream of belated taxpayers crowding the office. This morning Mr. Mounts estimated about 300 returns would be filed today. Yesterday 200 persons made returns.

He expected today's business to be bolstered by accountants of the city who usually file several returns for their clients on the last day. The normal number of returns is 3,500 and this morning only 2,600 had been made, despite the fact a 10 per cent penalty will go on tomorrow on all accounts in which returns have not been filed.

150 ATTEND RURAL GROUP'S MEETING

Is Second for Newly Organized Youth Project

More than 150 young men and women of rural Marion county attended the second meeting of a newly formed rural youth recreation group at the armory on West Church street last night. Presiding was Duncan Boyer of the state Farm Bureau at Columbus, who mapped out the sub-committee of party games and folk dances which features the event.

Sponsored jointly by the county extension office through R. W. Fider and through the county Farm Bureau through Owen Stone the movement is designed to train leaders for a countywide recreation program. Another meeting will be held next month.

Hole Knocked in Vault with Sledge; Sheriff Investigates

Special to The Star

DELAWARE, O., March 31—Seventy dollars was taken from the vault of the Radnor school building late Monday night by unidentified men who knocked a hole in the side of the vault, Sheriff M. F. Penney investigated the burglary yesterday.

It is believed the men gained entrance to the building by prying open a window and opening several doors leading to the superintendent's office where the vault is located. An attempt was made to open the vault by breaking the combination but failing in that the men obtained a sledge hammer from the furnace room and broke a hole in the side of the vault large enough for one of them to crawl through.

HELPFUL ADVICE TO ACNE SUFFERERS

For acne pimples affecting the outer or surface layer of the skin, here is advice that will help improve your complexion.

Every night at bedtime wash your face thoroughly with Resinol soap and hot water. Do not rub. Follow with a dash of cold water and dry thoroughly but gently. Then apply Resinol Ointment to the affected skin and leave it on all night. Do this every night, and watch the improvement.

Local treatment is advised as a helpful aid in acne cases and for more than 40 years the ingredients of Resinol have been found effective.

Resinol benefits by treating the irritated oil ducts where most surface pimples start. In this way it aids healing of such pimples and also tends to check their recurrence.

Buy Resinol Ointment and Soap at any drug store. For free sample write to Resinol, Dept. 13, Baltimore, Md.

MAYOR AND 2 POLICE CHIEFS ARE INDICTED

Among 62 Named in Writs Issued at Gambling and Vice Resorts

By The Associated Press

CARTHAGE Mo March 31 Six more gambling devices and a pinball machine have been confiscated in raids in Jasper county today, Sheriff Jesse Hall and Prosecuting Attorney Joseph Taylor announced.

Officials said the investigation of some church workers' charges that gambling and vice conditions in the county seat were responsible for the fire which destroyed the First Methodist church here last Sunday, was continuing.

Taylor and Hall said the raids were made on the premises of Jack Hall, Joplin police chief, and John Dixon, Carthage police chief, were indicted for alleged duty evasion charges they tolerated gambling and vice.

The officers said the confiscated devices were valued at $1,000 each. Operating under a recent order of Circuit Judge Emil W. Solomon. The trial was set for the June term of court.

Judge Walter Hall called the grand jury after some church workers had presented him with petitions. W. H. Fisher, chemistry teacher, each day read a list of the grand jury witnesses.

DEMOCRATS ACT TO HOLD COUNTY OFFICE

(Continued from Page One)

shine when he returns to his constituents

The measure in event of a vacancy on a board of county commissioners would empower the two remaining commissioners and the county engineer to make the appointment filling the vacancy

Until the present law went into effect in 1857 the probate judge county auditor and county treasurer filled the vacancy

In Clark county two of the county commissioners and the county engineer are Democrats The other commissioner is a Republican Thus in case of a vacancy the Democrats would control the appointing authority

On the other hand the probate judge and auditor are Republicans which would have given them the appointing authority

Sen James M Matthews Jr Democrat of Clark who engineered the commissioners' bill through its last day said the probate judge Harry Gram stood ready to appoint a Republican immediately to succeed the ailing Democratic commissioner M J Minogue.

We therefore had to do some fast work to keep a Republican from getting the job Matthews said.

He explained that the present commission was one of the few controlled by Democrats in Clark county's history.

If the Republicans had won control he asserted they could have put party workers into more than 300 jobs now held by Democrats

The bill also was of particular interest to Democrats in Lawrence and Trumbull counties where two county commissioners are reported to be ill

It was introduced Feb 3 by Reps Fisher Kilpatrick Democrat of Trumbull and George J Hunter Democrat of Summit The house passed it Feb 25 after refusing to attach an emergency clause to make it effective immediately Without the emergency clause the bill could not be come effective until 90 days had elapsed

The measure was sent to the senate Judiciary committee where little attention was paid to it until Friday March 19

Then we discovered that Commissioner Minogue who had been ill for some time had taken a turn for the worse Matthews said

He asserted that he and Lundy the two Democratic chairmen in Clark county telephoned nearly every member of the senate that night at a cost of $40 and urged them to pass the bill quickly.

On the following Thursday March 25 the senate attached an emergency clause and passed the measure

The house again refused Feb 9 to approve the emergency clause Matthews with the help of several friends rallied with nearly all the 18 members of the house going home except the emergency clause

Late yesterday after a roll call that lasted nearly 15 minutes the house gave 53 votes for the emergency one more than was necessary Speaker Frank R Lathe who said he was in favor of the bill voted to attach the Democratic vote in Thirty seven voted against it

THE MARION STAR

Established in 1877

[illegible] 128-142 North State Street

WEDNESDAY MARCH 31 1937

Decision Day

[illegible]

At first blush the world and the court [illegible] *turned topsy turvy*. At the very least, for instance, the call by *Labor* [illegible] *appears to herald a new* 30 *odd-hour* interpretation of the much debated Interstate commerce clause. By its decision, truck shop employes—those working on equipment not directly operating in interstate commerce—are included under the protection of legislation affecting business that only stops at state boundaries.

In the Frazier-Lemke decision Judge Brachel's statement declared that most [illegible] of the legislation make no unreasonable modification of the mortgagee's rights and hence are valid. The revised act does set up conditions under which debt moratoria may be determined by court order—a proviso not included in the old act—but many observers will be tempted to think the court has stretched a point in the direction of new interpretation.

With its Washington minimum wage decision the court apparently *reversed* the position taken in the famous Adkins case in 1923 and in the New York ruling last year. In the Hughes intimation that economic conditions which have intervened in the last 14 years justify the court's changing its attitude may lead to speculations about a judicial change of heart.

But the Wagner act decision still peaks. Cautious liberals or conservatives will wait for that ruling before they declare that Monday March 29 was the end of one era and the beginning of another in legal interpretation.

Enlightened Selfishness

In denouncing sit-down strikes as illegal and as detrimental in the long run to labor William Green appears to hit the nail where it should be hit—on the head. No reasonable person could accuse Mr. Green of wanting to sink the labor movement no matter what differences he may have with elements opposed to the federation. His record speaks for itself. That is why his *statement demands attention*.

Public opinion Mr. Green holds will not long tolerate the illegal seizure of property [illegible] *by the sit-downers*—and when *that* [illegible] reaches the breaking point support [illegible] out of the window with it. Yet labor needs the strength of *public confidence*.

This new silt where you use technique of enforcing demands Mr. Green declares is certain to result in state and federal law suppressing these with the sit-down-ing stage. But more than probable too [illegible] when weight of public opinion forces the use of conciliation, legislation other than may be framed through it will [illegible] and collective union organization.

Mr. Green [illegible] denounces sit-down tactics as a matter for perplexity. But it is difficult to find one of the reasons for his concern. Not out of the [illegible]. That is [illegible] no one can condone violation of law when capital and labor grievances [illegible] have constructive and common sense methods of settlement [illegible].

Enlightened selfishness—the devil to pay but the [illegible] of let handle sword [illegible]. That application [illegible] to the case to Mr. [illegible] can and [illegible] employ a new word [illegible].

Rural School Coaches To Map Spring Track Progra

TO MEET MONDAY TO COMPLETE PLANS FOR RELAYS, FIELD MEET

May 8 and April 24 Dates for Highlights of 1937 Sea sons Program

Marion County spring track program for rural schools is which will be featured by the annual county relay meet and for the first time a complete program of relays for high school weeks prior to the field meet will be mapped out at a meeting to be held at the office of county superintendent

Dates for the track meet and the relay series definitely been set for May 8 and April 24 were given by those announced today by Frank Hess president of the county athletic association. Both of the meets this year will be held at Prospect where a new track was completed last summer under the WPA program. Previous the county meets were held at Harding

Relays From Events

To avoid confusion among the followers of the county teams Furniss explained that in the track meet which is held annually the athletes are in individual competition against each other while in the relays each school competes as a team in each event. Complete programs for both events are to be discussed and outlined at next week's meeting.

Last year eight of the 11 schools which took part in the organized basketball league also participated in the county track meet. Approximately 200 athletes entered the events and already indications point to an even larger group this season. Prospect High cinder path artists won the 1936 meet with a narrow margin of points over the runner-up Pleasant Agosta Claridon Caledonia Green Camp Mound Waldo were the other competing schools and they finished in that order

So early spring favorites have come into the track horizon at this stage of the game but more than half a dozen of last year's leaders are conceded to be the most likely contenders. In last years event four county records were broken with Arthur Kanody of Agosta turning the 220 yard run in 24 seconds Edward Christensen of Prospect covering the 110 in 16.2 seconds Brooks Fleming of Prospect tossing the shot to a new mark of 40 feet 10 inches and the Prospect relay team bringing the time for the mile event down to 3.51.6

Junior High Plans

Junior high school athletes will again share in the program by taking an active part in the track and field meet with a program especially designed for them. Their schedule of events is to be worked out at a future meeting of the coaches association but is expected to be along the lines of last years program which included the high jump shot put 100 220 and 440 yard dashes discus pole vault broad jump 880 yard run and 440 and 880 yard relay.

The high school trackmen will have a similar schedule which will also include the javelin throw mile run mile relay and medley relay. Entrance in the meet open to all county schools will be governed by the Ohio High School Athletic association rules which govern other scholastic events. According to the tentative plans outlined by Coach Furniss preliminaries in several of the relay events will be held on the Tuesday and Thursday preceding the county track meet on May 8. No preliminaries will be necessary for the relay program which is to be completed in a single day on April 24.

Bidders for Laurels in Golf Tourney

Four men noted as money players—capable of maintaining top form under pressure — from as favorites in the fourth national Masters tournament at Augusta April 11. They are Horton Smith Gene Sarazen Harry Cooper and Ralph Guldahl pictured above. All have been displaying top form this spring. And each one plays the all-around game required by the varied and difficult hazards which test the versatility of the contestants. One thing is certain. Cooper will be out for revenge this year in an effort to wipe out the sting of last years defeat when Horton Smith snatched almost certain victory from his grasp with a miraculous finish. In the same manner Cooper was edged out in the finals of the national open in 1936 by Tony Manero.

Bobby Jones' Odds Falling on Eve of Augusta Tourney, Shoots Par in Warmup

BY KENNETH GREGORY
By The Associated Press

AUGUSTA Ga March 31 Bobby Jones home course master demo interrupted his worrying about the weather long enough to day to warn his golfing brethren that Robert Tyre Jones will be up there in the Augusta National golf tournament starting tomorrow

Hell be in the first 10 and I'm not trying to give him an inch Dudley said frankly while falling odds against Jones added point to his remarks Bob isn't worrying about his game He's just playing golf And that's what you've got to do in this tournament

He's concentrating more than he has in any of the three tournaments His best play was in 1934 when he finished in a tie for ninth Hell do that good or better this time

A second downward revision of the odds against Jones left him quoted at 11 1 today He was quoted at 32 1 a few days ago but the pressure of sentiment betting and lunch play forced book makers to shave these figures back to 20 1 yesterday

This latest change put Jones only a few spots behind the pre tournament favorite Lighthouse Harry Cooper currently carrying a 10 1 price just a notch ahead of Horton Smith two time winner of this event who was quoted at 11 1

Dudley practiced yesterday with Jones grand slam champion of 1930 who still is a gallery favorite despite his seven years of retirement from all competition except this one meet For the second day Bob toured around in an even par 72 while host Dudley cracked out a neat 73 34 66 only one stroke from Ky Laffoons record tying 65 of Monday

The odds had Dudley listed at 12 1 along with Ed Dutra Manero the 1936 national open champion Henry Picard and Gene Sarazen

NEW YORK March 31—Nobody can make heads nor tails of the current heavyweight situation

Try this following one minute interview with Joe Gould manager of the world's champion Is the Chicago bout with Joe Louis still on I think so Is the Farr fight with Max Schmeling still on I think so St Louis writers may have been letting Paul Dean down lightly when they wrote His performance was anything but inspiring Charlie Dressen and Del Baker the best signal snatchers in the two majors say it is easier to swipe a pitch directly from the pitcher than from the catcher's signs But that Lefty Gomez will be the opening day pitcher for the Yankees

Bucky Harris and Buck Newsom have patched up their differences and the Nats are a big happy family again Several of the Griffs say Van Mungo is faster than Bob Feller Johnny Murphy who we see as if will get Charlie Ruffing's old starting spot with the Yankees if the latter doesn't sign

Why do big league scouts stay away from my home door? In 12 games Bill Peisel Brooklyn high school pitcher whiffed 214 men and he is only 16 Dolph Camilli's holdout begins to look like the real thing Shanty Hogan of the Braves is a great favorite with fans around the grapefruit circuit Jimmy Dykes the manager of the only member of the White Sox with zipper on his uniform

Daily Pattern for Home Use

BY ANNE ADAMS

MAKE CHIC PRINCESS-LINE FROCK TO SUIT YOUR EVERY NEED

When spring rolls 'round, charming afternoon frocks put on their gayest airs and most colorful actions. This clever Anne Adams frock, Pattern 4356, plus the prettiest cotton or silk fabric you can find will prove just right for dawn-to-dusk hours! You can "give yourself wings" in this effective style, for what could be newer (or smarter) than its well-fitting princess lines, brief little sleeves, and jaunty revers. For a bright splash of color, wear a printed sash 'round your waist and tie it into a dashing bow. You can have a plain belt, too, if you prefer—one that will match or contrast with your frock. Such fun to make, is this simple style, that you'll be turning out several versions in your favorite colors.

Pattern 4356 is available in sizes 11, 13, 15, 16, 32, 34, 36, 38, 40 and 42. Size 16 takes 4 yards 35-inch fabric and ½ yard contrasting. Illustrated step-by-step sewing instructions included.

Send FIFTEEN CENTS (15c) in coins or stamps (coins preferred) for this Anne Adams pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

A smart wardrobe—YOURS! Order our Spring ANNE ADAMS PATTERN BOOK and see how easy it is to make becoming, up-to-minute outfits quickly and inexpensively at home! Revel in a wide choice of sparkling all-occasion frocks, suits, blouses—with special, slimming styles for the stouter woman. Practical, fashion-right models for kiddies and "debs," too! Fabric tips. BOOK FIFTEEN CENTS. PATTERN FIFTEEN CENTS. TWENTY-FIVE CENTS FOR BOTH WHEN ORDERED TOGETHER.

Send your order to The Marion Star, Pattern Department, 243 West 17th street, New York, N. Y.
